Colleagues:

Following please find a list of broad ranging issues that have been identified by OCIR as those that the Administrator may encounter questions during the hearing. She will be testifying before the House Science, Space, and Technology Committee on June 28 and you are being asked to provide Qs&As to facilitate OCIR's preparation for this hearing.

Below you will find each topic with the lead office with responsibility for developing the Q&A listed beside it. Each response should contain no more than five sentences to address the relevant question being raised. Unless otherwise noted or contacted independently, please have your submissions to me no later than **Wednesday, June 20 at NOON**.

Please contact me ASAP with any questions or concerns.
